She fully admitted that she didn't understand the things of Christ at the time and we all know that women can be very naive at times especially when dealing with pastors. Women's weaknesses include these so-called men of God. Yes \$7000 is alot of money but let's give thanks that she's learnt a BIG lesson that other

Pls sowing a seed is not wrong but the man of God asking you to sow the seed must be a genuine man of God. When you sow a seed in church, where the money goes and how its spent is not your business anymore. God doesn't use those monies. They are used for church issues.

Our God is soooooo merciful. What problems were you facing sister as compared to what the people in the Bible went through, do you remember Job, even Esther can be an example.
